Giovane e dinamica con uno staff dall'esperienza pluriennale, ROBERT INDUSTRIES SRL opera nel settore della produzione di articoli per la casa, quali lo stendibiancheria, cavallo di battaglia, tavoli da stiro, scale e sgabelli per uso domestico.

Con attenzione alle esigenze dei vari mercati, nell'ottica del consumatore finale e con particolare rispetto delle normative vigenti che coinvolgono persone e ambiente, la R.I. ricopre un posto in prima fila non come spettatore ma come attivo partecipante di una realtà che impone etica e serietà.

Per questo ha sempre raggiunto il suo scopo, la soddisfazione dei suoi clienti.

Clienti con i quali ha dimostrato di saper collaborare e con i quali ha sempre trovato le giuste soluzioni a qualsiasi esigenza, clienti nuovi che con fiducia hanno cercato e trovato disponibilità e professionalità.

Dialogo e confronto sono le caratteristiche fondamentali che i nostri clienti non dimenticano e che danno continuamente l'input per proseguire senza lasciare nulla al caso. La R.I. può garantire prodotti soggetti a studio e verifiche periodiche per la sicurezza del consumatore, con l'utilizzo di materie prime testate nel rispetto dell'ambiente e non nocive per le persone che le utilizzano.

La R.I. presta particolare attenzione all'ambiente producendo energia pulita con un impianto fotovoltaico che copre l'intero fabbisogno per la produzione.

Lo stimolo a proseguire e a migliorare è dato dalle soddisfazioni che ogni giorno permettono a tutti coloro che collaborano con la R.I. di esprimere le proprie potenzialità al meglio, con coerenza, serietà e passione.
